UM-Dearborn Graduate Student or Visiting Scholar Verification Form

Graduate students may be granted library privileges during semesters when they are not taking classes if they are working on their thesis or working as a teaching or research assistant. **Note: Graduate students may NOT hand carry or e-mail this form to the library. The professor or department administrator must submit the form on behalf of the student.**

Visiting Scholars are granted library privileges during the period of time they are here as a visiting scholar. **Note: Visiting Scholars need to bring this form, MCard and local contact information to the Circulation desk.**

The supervising professor or department administrator authorizes library access. This is a fillable pdf form: fill out and email this form to Jonathan Scherger at scherger@umich.edu. Visiting Scholars may email the form to Scherger; for all other categories, the supervising professor or department administrator should email the form to Scherger.
